Subject: Schoharie Update from Abby Norton-Levering

Our team of covenanters from First Schenectady, Lynne Gilgore and I worked on pulling up floorboards and demolishing walls and carting debris outside, working in the house of a man we had never met before today. We also went up to see Sherri Meyer-Veen. She is understandably distressed and overwhelmed but still working hard at getting folks organized. She somehow managed to talk the mayor and city council into having their very first community-wide meeting. Go Sherri!

I plan to go back next week and to bring as many folks as I can round up.
