Review the sermon. What were the main points?  
What stood out to you or raised questions for you?

In **John 1:6-8** we are introduced to John the Baptist. John then gives an answer for who he is in verse **1:23**. This is referencing **Isaiah 40:3-5**. Why do you think it was necessary for someone to come before Jesus to prepare the way?

In your life, how were you prepared so that you could accept Jesus into your life? What or who was involved?

Do you think God still uses people to prepare the way for Jesus? Is this something for a select few to do, or are all followers called to do this?

How might we be like Nathanael today in questioning someone's validity based on where they are from? (**1:46**)

The chapter ends with a verse which can be interpreted in different ways. What do you make of **verse 51**? What could it mean?

Christianity has spread over the world by one person telling another person, "We have found the Messiah." (**1:41-42**)  
How can we bring someone to Jesus today?

**Prayer:**

Jesus, I believe that you are the Son of God, the Messiah, and the Lamb of God who takes away the sins of the world. Thank you for coming to earth and calling people to follow you. Help me to follow you in every aspect of my life. Amen.
