Review the sermon. What was the main point?  
What did you think about the message?  
What stood out to you?

In Genesis 1:21-22, God blessed the creatures of the sea and the birds to multiply. Then we see the same pattern for humanity in 27-28. How is this connected to the concept of multiplication in the sermon?

The concept of multiplication impacted the spread of Christianity throughout history. Did anything pastor Dirk share surprise you? How does this relate to Abraham (Genesis 12:1-3) and Jesus' final directions (Matt 28:18-20)?

Why is it important for Christians to multiply what has been entrusted to them?

Take stock – what are some of the key things God has entrusted to you? What are some of your greatest “talents”?

What practical steps can you take to multiply your God-given blessings and resources?
