

Prayer Concerns

Thank you for your prayers on behalf of others...

- Students, parents, teachers, administrators and law enforcement who experienced the active shooter hoax on Thursday (at Schodack and many other area districts) (3/30)
- Several of us have been "getting **COVID** out of the way before Easter" (*thank you, Pastor Dirk, for that perspective 😊*). Those recovering include **Dave, Jennifer, Eric & Candy, Chuck, and Scott.** (3/30)
- **PRAISE** that **Brian Matiske's** PET scan last week showed no new cancer (he is having pains, but they ruled out cancer which was a great relief). (3/26)
- **Adele Harris**, in recovery from her aortic aneurysm surgery, and seeking to regain strength from multiple health challenges. (3/26)
- A toddler named **Ezra** who has been in and out of the hospital for something that is causing excess fluid on his brain, the cause seems to be a mystery. (3/26)
- Cousins of **Sharon Brunetto** were in a violent car accident. An infant was lost, and the parents were in critical condition. (3/26)
- The family and friends of **Dave Ewert's** nephew, **Jim Spenst**, who passed away last week after his body rejected a transplanted liver. (3/26)
- **Kelly Layton**, who took a fall and is nursing bumps and bruises. Praying for a quick recovery. (3/26)
- Families facing the ongoing trauma of **mental health issues**. Grace, wisdom, and endurance are always needed. (3/26)
- Those who have lost loved ones and will be rebuilding lives after the devastating **tornado** in Mississippi. (3/26)
- With grief and joy, we share that **Beverly Rogers** is now with her Lord and Savior Jesus Christ. Beverly was a model of graciousness, generosity, and encouragement, and will be missed as an active part of Emmanuel Reformed Church. After a rapid decline through a series of strokes, Bev passed away March 15. Please keep her family and loved ones in your prayers. A memorial service will be held later when we will celebrate her life. (3/16)

ONE WEEK TO GO before our mission team heads to Florida to serve the people of the Fort Meyers area recovering from Hurricane Ian (October 2022).

Heavenly Father,

You are my shield and Protector.

With each new day,

I want to trust You more and more with every part of my life. Please help me to release my plans and desires over to

You.

I trust in You.

In Jesus' name, Amen.

- **Suzie Van Ort**. After surgery and extensive care for a broken leg, she has been able to be at home with **Wes and May**. It will be a long road of recovery and they greatly appreciate your prayers. (3/12)
- **Maria MacPhail** has started chemo for her cancer. Please continue prayers for her over the next three months of treatments. (3/10)

Then he said to Thomas, "Put your finger here, and see my hands; and put out your hand and place it in my side.

Do not disbelieve but believe."

Thomas answered him, "My Lord and my God!"

Jesus said to him, "Have you believed because you have seen me? Blessed are those who have not seen and yet have believed."
