There's more for the asking  
From God...

Jesus,

I believe that you are the Son of God, the Messiah, and the Lamb of God who takes away the sins of the world.

Thank you for dying for my sins and allowing me to be born of the Spirit.

By your Spirit I am made new, I am new, and in this I have eternal life.

Help me to live for you, guided by the Spirit, and doing good which brings glory to the father.

Amen.

**Steward's** monthly "praise and prayer" praises God for protection and spiritual fruit in recent village ministries, nearly completed construction of Grace Chapel at the children's school (Julia's memorial) and the teacher's quarters at the Training Centre. Steward seeks prayer for growth of new believers, provision and safety in ministry travel to various places, the comforting and strengthening of the family of a missionary (Selvakumar) who was attacked and killed by a fanatic's mob while conducting a prayer meeting at home, and healing for Nyapu who is recovering from surgery to correct severe Tonsillitis.
