Lord Jesus,

As I wait upon you, wanting and looking for answers, there is one thing I won't forget. It's the power of Your unfailing love. You have heard my plea. You are with me and are moving now.

You use all things. Nothing goes to waste as You are slowly building a masterpiece of grace out of my life. You're breathing into this dust a new life rising up - and there's wonder in this wilderness.

So, take this life and use it for Your glory. Take what's dead and make it something new. Come and do what only You can do. You will show me things my eyes have not yet seen.

And while I'm waiting to see, I will press on in the comfort of Your steadfast love, confident of your power to see me through! Amen.

The Lord declares, "You are my witnesses and my servant whom I have chosen, that you may know and believe me. Understand this that I am the Lord. Besides me there is no Savior."
