

Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need.

Lord Jesus,

I want to be a person who stands firm and trusts you with my whole heart. I want to be unshakable and resilient but know that can only happen by depending on you and trusting you. Please help me to a deeper trust in you, Lord. You alone know the full meaning of what's happened and what lies ahead. With King David, I confess by faith that "surely goodness and mercy shall follow me all the days of my life." Amen
