Lord Jesus,

I confess this message we have heard and want to proclaim every day that others might be drawn closer to you:

"God is light, and in him is no darkness at all." (1 John 1:5)

I ask that you bring your light and restoring presence into the dark places in our lives. I look to you to bring hope to hearts that feel defeated. I fix my prayers on your love

and compassion for those in pain.

Thank You for being the Light of our world and giving us hope for an eternal relationship and life with you. Amen
