Lord Jesus,

Thank you for choosing to experience what it means to be human. At great cost, you came to earth and sacrificed yourself for us by dying on a cross. Thank you for loving us so fully!

The greatest thing in all my life is knowing, loving and serving you. I want to love you more!

So, as I think about your selfless sacrifice, may your Spirit fill me with your love. Help me out of love for you to die to my own interests so that by faith I am united with you in desire and life choices. Amen!

- **Genny Elliott's** friend's mom and dad need prayer. The friend's mom has lung cancer and her friend's dad was recently diagnosed with the same. We pray for comfort, peace and strength for all three. (6/29)

"You are the Potter, and I am the clay.
You are the artist, and I am the paint.
You are the writer, and I am your song...
Mold me, change me, color me in shades of You. Play me, sing through me a melody so when they look at me, they will only see that You, Lord, are all I desire.
Master Creator, create in me Your work of art!"
