

WHAT'S ON JESUS' PRAYER LIST?

God is faithful, who has called
you into fellowship with his Son,
Jesus Christ our Lord.

1 Corinthians 1:9 NIV

OUR PRAYER CONCERNS...

- Please pray that God would call out from among us those with a heart for the fatherless to add to the **Chile Mission Team** we are sending to the House of Hope in La Pintana, Chile April 1-8, 2024. (8/20)
- **Genny Elliott's** mom, who is very frail and suffering from severe pain because of cancer, is nearing the end of her life. Genny and her sister Michelle are with her. (8/20)
- The comforting and rebuilding of **Maui**, in the aftermath of a Aug. 8 wildfire that took the lives of 115 and possibly more. The F.B.I. has listed ~1,000 still unaccounted for. (8/14)
- We continue to pray for families who struggle so hard with difficult decisions, and need God's wisdom and guidance. (8/14)
- We seek God's comforting peace and healing power for those grieving the death of these family members and friends in early August: **Kelly Layton's** oldest sister **Kate**, **Denise Wright's** mother-in-law, **Shirley DeNose**, **Kyleigh's** cousin.
- Please continue in prayer for these who seek healing from cancer: **Maria MacPhail**, **Brian Mattiske**, **Bruce Conwall**
- **NORTHEAST INDIA.** **Pastor Steward** rejoices that we are in Christ no matter if life has landed in suffering. He writes to remind us that Hebrews 12 encourages us to FIX our eyes on Jesus. He reports that **Christians are facing increasing hostility from Hindutva nationalism.** At the same time, **people continue to come to Christ** and we are always asked to lift up these new believers in prayer. So, Steward seeks **continued prayer for their ministry** in villages, the village school, and at the Bible Training Center; and for Manipur because

For where two or three
are gathered together in My Name,
I am there among them.

many believers are suffering in relief camps. Flooding continues in Assam where Steward is and several of his colleagues and students are sick and in need of prayer. Finally, let's pray **for his family's health and that his daughter, Somiwon**, would be admitted to a good university. Steward ends his letter with: *"May God bless all of ERC's families for prayer and financial support – which is a great blessing for the ministry here."* (8/10)

- **NIGER.** **Jeremy and Susan Beebout's** update: "We were planning to return to Niger in mid-August but, in light of the current instability and uncertainty about the kids' school (Sahel Academy), we have decided not to return to Niger for the time being. ...many other decisions to make in a short time." (8/9)

I know the LORD
is always with me.
I will not be shaken,

for he is right beside me.
