

The overflow of a life in prayer...

We are praying for you that God will fill you with His wisdom and understand what His Spirit is giving you so you may live a life worthy of the Lord Jesus, bearing fruit in every good work.

Our Prayer Concerns...

✚ **Pastor Steward** (Assam, NE India) has shared that his brother-in-law, **Late Mari Riba**, passed away suddenly on Aug. 27. This man was not only a dear family member close to Steward personally and greatly grieved by his family but was serving as Inspector General of Police. As such, he was looked up to as a protector of Christians in Arunachal Pradesh.

Many are uncertain of what this might mean for Christians there where an anti-conversion law is imposed. Steward's ministry partners throughout Assam and Arunachal have been reporting increasing opposition stirred up by Hindu fanatics and that everything they do is closely watched.

Steward is thankful for our prayers undergirding the fruitful ministry of his co-workers among the villages, his daughter Somiwon's admission to Delhi University by merit, and for the ministries of the children's school and the Bible school.

He seeks further prayers for new believers growing in the Lord, comfort and relief for flood-affected people in Assam, new church construction, believers in Panigaon whose church was burned, the ongoing tense situation in Manipur, for his own family's health, and for his wife Nyapu's land court case (next hearing is Oct. 6). ✚ **Sue Mawhinney's** husband **Bob** is in the hospital after faintness earlier in the week and indications of internal bleeding. Pray for healing, as well as peace and strength for Sue during this time of unknowns. (9/14)

✚ Continued prayer for the **out-of-state family in crisis**. A two-week order of protection was granted this week, but that is just temporary, and lasting solutions need to be found. Prayers for wisdom, grace and safety are greatly appreciated. (9/14)

✚ Healing for a **friend who is seriously ill** and hospitalized with an intestinal bacterial infection. (9/6)

✚ **George Longworth's** dad, also named **George**, is suffering from COVID. We pray for his comfort and full recovery. (9/3)

✚ Please pray that God would call out from among us those with a heart for the fatherless to

add to the **Chile Mission Team** we are sending to the House of Hope in La Pintana, Chile, April 1-8, 2024. (8/20)

✚ Please continue in prayer for these who seek healing from cancer: **Maria MacPhail, Brian Mattiske, Bruce Conwall**
