But then he takes rest in God's control of the situation and reminds us that "we just need to trust him for the victory in every situation." **His praise to the Lord** includes a report of secret baptisms in Manipur where ~240 churches have been destroyed. He tells of other conversions in the village ministries and miracles of healing. He mentions that the Bible School and children's school are going well in answer to prayer. **He seeks prayer** as always for protection and provision for the many ministries, for healing for Evangelist Rajput and new church construction under Pastor Dharmen. Steward will once again be ministering at a **Great Commission Challenge Camp 10/20-22**. (10/10)

Please continue in prayer for these who also seek healing from cancer:

Six Ways to Pray in Time of War

1. **Protection**—the protection of civilians and the innocents of war.
2. **Provision**—ample and timely provision of refugees and those caught up in the fight.
3. **Healing**—healing of bodies, but especially healing of minds and hearts from the grief and trauma of those who are suffering and bereaved.
4. **Justice**—the downfall of the wickedness that perpetuates such violence.
5. **Peace**—prevailing peace that overcomes the hostilities and sets the stage for stable, flourishing outcomes.
6. **Grace**—the promotion of the Gospel of Jesus Christ.
"It is the gospel alone that offers hope to a world that tears itself apart. Nothing else but the blood of Jesus can bring the healing and peace humanity so desires." – Christopher Poshin David
