

"Don't worry about anything; instead, pray about everything; tell God your needs, and don't forget to thank him for his answers..."

Philippians 4:6 (Living Bible)

✚ Pray for **Christian students** in the public schools that they may have the courage to be public with God's grace. A new Christian club started at Maple Hill High School this past Tuesday. (11/14)

Please be in prayer for Pastor Dirk and Jashton who are planning a ministry trip to Steward January 18-30, 2024.

If you pray about everything with thanksgiving you will open the door of your heart to God's peace, which is far more wonderful than the human mind can understand. His peace will keep your thoughts and your hearts quiet and at rest as you trust in Christ Jesus.

Prayer Notes from your Consistory meeting November 21...

- Thanksgiving for
 - so many of our church family working to share Pork Roast Dinner and the ~\$2500 raised for our mission efforts. Dinner guests had a joyous time!
 - low bids accepted to work on our roof and boiler needs with people we already work with and trust.
 - the generosity of spirit of our congregation evidenced in many things: the financial balance sheet for the church, the dinners provided to the homeless, the ~100 Samaritan Purse Christmas boxes and now the Giving Tree for St. Paul Center.
 - signs of stability and strengthening of our ministry after the COVID years, taking note especially that many are finding their way to us now by way of online exposure.
- We pray God will give faith, wisdom and courage to these warriors who battle cancer, and sustaining grace to their families: **Brian Mattiske, Maria MacPhail**. And we pray for others who are in physical or emotional distress for various reasons and thank God He is hearing our prayers.
