Jeremy & Susan Beebout have sent Christmas Greetings and an update on their lives in Iowa. They write that they've been in a "liminal space," meaning a time of transition between where they've been and where they're going. God provided a helpful retreat experience that encouraged them, and also a wonderful, fully furnished home. Their family life is enriched by involvement in their church. Just after Christmas, Jeremy and Susan are returning to Niger for a short trip to meet with the leadership of the EERN, their sponsoring organization while they served there. They are praying for clarity as they continue to seek the Lord's leading in their lives. (**Note:** You can find the Beebout's full report in the hallway across from the large world map.) (12/20)

AN ISAIAH 40 PRAYER FOR THE JOURNEY...

Lord Jesus, thank you for this journey I know as my life. Thank You for giving me means to move about and a mind to imagine new things, places, and people. In all my going and coming in, please help me to trust Your heart and promises. Please strengthen me for every challenge and keep me following You.

Above all, fill me with Your love so I can walk humbly with You and all those gracing my path. Amen.
