

Prayer Concerns...

➤ It is our privilege to pray with **Steward** and **Nyapu** this morning. Their ministry in N.E. India is both very challenging because spiritual opposition is fierce, and rewarding because many are responding to the Gospel with faith in Christ. This morning we seek God's blessing on their family, all those who join them in village ministries, and the neighborhood children's school and Bible Training Center under their care. We also earnestly seek the Lord's protection and provision on their behalf, trusting Him to go before them and shower them with grace and peace. 5.12
